ACCOMMODATION

- REAR COCKPIT Access is made easy on board with the large bathing platform and transom door leading through to the cockpit. The full cockpit canopy can be removed in sections, either providing shade for those warmer days or removed fully to get the best of the weather.

Located to the starboard side is a sink with a moulded GRP cover a fridge to keep your drinks cool, perfect for entertaining.

Storage is in abundance with a locker to the port side and a cavernous lazette beneath the cockpit floor. Access to the main Saloon is through large glazed sliding patio doors which can be opened progressively. Post from RICOH THETA.

Spherical Image RICOH THETA SALOON

The open plan luxurious saloon is finished in Walnut, with leather upholstery and Teak Holly flooring. The layout allows for plenty of seating with the main U-shape settee to starboard converting to a double berth. There are two drawers beneath the main seating. An additional free standing seat to port can be moved to serve the saloon table and two stools add to the selection of seating for extra guests. The large side board to the port side boasts generous cupboard storage beneath with a selection of shelving and a bottle holder.

The raised helm position to port boasts a great view forward and an uncluttered dash with full instrumentation. The sliding door to port gives easy access to the deck for mooring and makes for a light airy

helm position. To starboard there is a raised free standing co-pilot seat offering a great view forward with surrounding sideboard and further cupboard storage
