Haines 32 Sedan

HAINES MARINE

Unlike mass production builders Haines combine traditional craftsmanship with modern techniques and will tailor a boat to individual requirements.

Ordering a bespoke Haines motor cruiser gives you the freedom to create a boat that is as individual as you are.

Enjoy an endless degree of choice from fabrics and linings to joinery finishes and even interior layouts.

The company based in the heart of the Norfolk Broads began life in 1980, and has since enjoyed international recognition as builders of high quality motor cruisers.

Haines 32 Sedan

32 SEDAN

Offering amazing accommodation for her size, the Haines 32 Sedan is suitable for all river / estuary cruising with a range of engine options and Haines unquestionable build quality.

Light and airy throughout, with full opening 'slide and stack' patio doors connecting the saloon to the aft deck area. A retractable canopy concealed in the GRP peak that allows further light to flood in.

A craft designed with entertaining in mind, the large island double cabin forward, a spacious toilet wet room and a generous galley also provide excellent accommodation for those longer stays onboard.

Interior

SALOON
Large opening roof skylight and sliding openings to both side windows. Portside sideboard unit with fitted cupboard / drawers aft, and electrics panel cupboard beside helm position forward. Helm / dash with full instrumentation, leather bound stainless steel steering wheel and Morse control, footrest below helm. Outboard starboard settee with storage under (converting to full size double berth), and forward / aft facing settee with folding backrest. Hardwood rectangular table with hi/low freestanding leg, cocktail cabinet to aft starboard corner of saloon. Access to aft cockpit through full opening 'slide and stack' patio doors.

DECKS / AFT COCKPIT
Seating for 6 is comfortably provided, or 8 when incorporating the saloon aft facing seat with the patio door open. A large storage compartment is accessed through a lazarette deck hatch, a gas locker and storage locker under aft seating, with additional storage provided in port and starboard wing lockers. An overhanging GRP peak houses a retractable canopy. Aft gate gives access from the aft cockpit to the bathing platform, allowing easy boarding from either the side or the aft end. Steps from aft cockpit to the wide side decks are helped with the conveniently positioned hand rails. Grab rails run along cabin side to forward pulpit. The foredeck accommodates through-deck chain locker access, a manual anchor winch, bow roller, and either a galvanized anchor or mud weight.

Interior

GALLEY
Avonite worktop fitted with a 3 burner gas hob, through mounted waste bin and square stainless steel sink complete with drainage grooves. Large cupboard under sink, pots and pans storage under a stainless steel 30 litre gas oven, cutlery drawer above 65 litre refrigerator. An eye-level locker, a storage compartment below hinged step, and outboard shelving for crockery complete the large amount of storage offered in this spacious area.

Interior

FORWARD CABIN
Large island double berth with side steps and two large drawers below, access to chain locker forward of berth. Further large GRP storage box below berth, side shelves either side, extending aft from the chain locker bulkhead to the two large port and starboard wardrobes, both complete with hanging rails and hooks. Two flush-fit overhead escape hatches allow plenty of natural light and air flow into the cabin. Mirror and coat hook fitted to the aft bulkheads.

TOILET / SHOWER
Toilet/shower wet room with solid surface worktop and surface mounted ceramic sink with tall mixer tap. Manual toilet to waste tank, on raised solid surface plinth. Storage provided by outboard shelving and cupboard below sink. Wall mounted shower mixer tap with chrome shower head and hose.

Specification

Haines 32 Sedan

TECHNICAL SPECIFICATION

Displacement hull with a choice of shaft drive diesel engines, comfortable sleeping accommodation for 4. Designed and built to RCD Category 'C', a deep keel and large skeg protected propeller assist with low speed handling. Larger engine options gives the craft occasional coastal possibilities.
