Haines 26

UK AGENT

Haines 26

HAINES MARINE

Unlike mass production builders Haines combine traditional craftsmanship with modern techniques and will tailor a boat to individual requirements.

Ordering a bespoke Haines motor cruiser gives you the freedom to create a boat that is as individual as you are.

Enjoy an endless degree of choice from fabrics and linings to joinery finishes and even interior layouts.

The company based in the heart of the Norfolk Broads began life in 1980, and has since enjoyed international recognition as builders of high quality motor cruisers.

HAINES 26

The Haines 26 delivers an easy to use motor cruiser packed full of cleverly thought-out features all designed to make your boating experience safe, effortless and enjoyable.

Above deck and below the boat offers a layout perfect for entertaining. Its aft cockpit seating, simple canopy arrangement and foredeck seat are perfect for socialising, enjoying time with the family and making the most of those sunny days.

Below deck it's still light and airy with a generous seating configuration that allows the boat to be enjoyed throughout a long boating season.

A low wash hull offers great stability and excellent manoeuvrability, single engine options, a spacious shower and toilet compartment, a well equipped usable galley, generous storage throughout, and Haines' endless degree of choice.

DECKS

An easy access bathing platform with steps to side decks, stainless steel pulpit and grab rails to transom and cabin roof, foredeck double seat with upholstered (removable cushions) and cup holders.

Fixed glass sky screen in cabin roof with large flush hatch forward. Stainless steel letter box style swim ladder in transom. Grab rail for swim ladder with integrated ensign socket to starboard side of bathing platform.

Six stainless steel deck cleats and a single cleat for mud weight / anchor fastening. Navigation lights and stainless steel logo, aft gate leading into aft cockpit.

AFT COCKPIT

Easy fold black powder coated screens with single wiper.

Full canvas canopy over cockpit with folding stainless steel hoops. Canopy gathered and lowered around the aft combing or in the 'up' position with a canvas bag.

Helm position to port with Morse control to the side and engine dials on dash panel immediately in front of helm. Upholstered helm seat and starboard side seating.

French doors leading into the cabin space with companionway hatch above.

Removable teak table on through deck stainless steel leg.

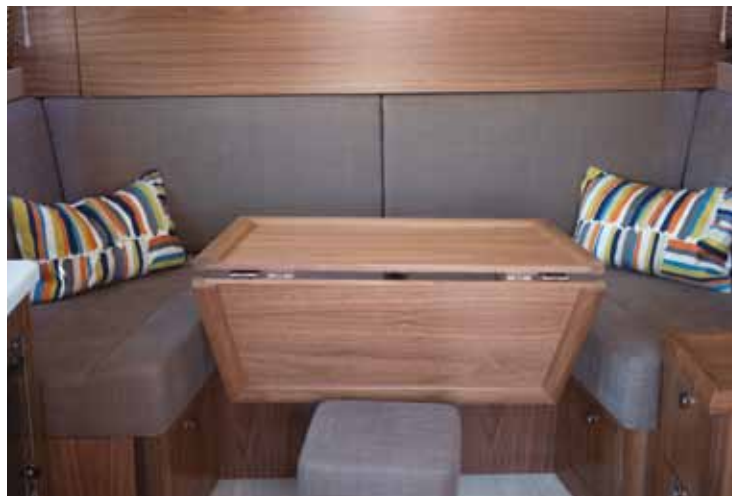

Engine compartment access through hinged large deck hatch.

SALOON / CABIN

Starboard side settee (sliding, converting to double berth with stainless steel drop down leg), wardrobe in aft starboard corner with electrics panel above, large u-shaped raised settee forward (converting to single berths by removing backrests), large eye-level above, folding table on fixed leg, single stool supplied to make four dining places. Cocktail cabinet drawer unit between seating areas on starboard side, large drawers below forward and starboard side settee.

GALLEY

Open plan accommodation with galley area to port. Stainless steel through-worktop hob and grill with two large drawers below, stainless steel 49 litre refrigerator with cutlery drawer (with hardwood dividers) above, cupboard with shelf and stainless sink above, large mixer tap and drainage groove outboard. Stainless steel through-worktop waste bin in aft corner and a brushed stainless steel full length splash back outboard.

TOILET / SHOWER

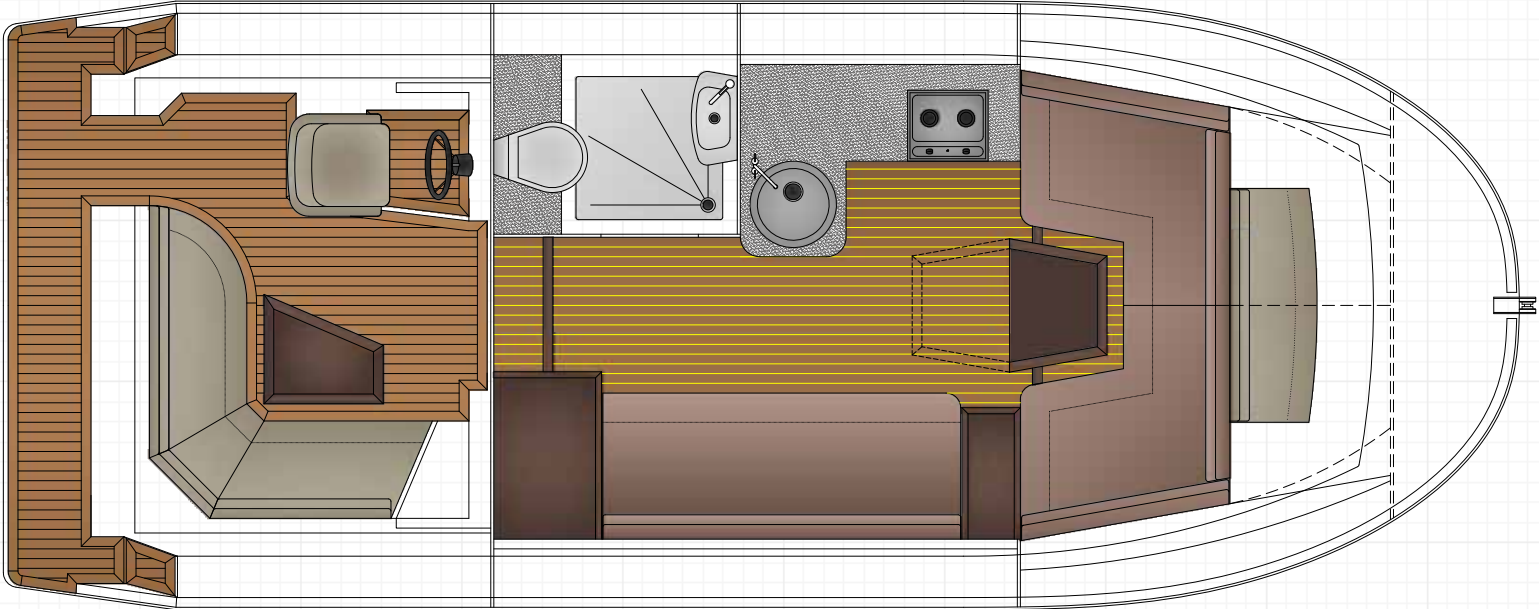

Toilet / shower compartment with ceramic corner wash basin in forward outboard corner with mixer tap. Shower mixer tap with adjustable shower head and hose. Toilet roll holder, soap dish, toothbrush holder, towel ring and coat hook. Shower and wash basin drained to auto shower sump below floor and manual toilet direct to waste tank.
